

Congress of the United States
Washington, DC 20515

January 27, 2010

Dear Friend,

The Congressional Brain Injury Task Force cordially invites you to participate in the “2010 Brain Injury Awareness Day on Capitol Hill” on **Wednesday, March 17, 2010**. The Congressional Brain Injury Task Force is comprised of over 120 bipartisan members, whose mission is to further education and awareness of brain injury—including its incidence, prevalence, prevention and treatment. In the spirit of this mission, several events will be hosted throughout the day. We hope that we can count on you to help us educate Members of Congress and their staff on the full range of effects of brain injury, the challenges and recoveries of persons living with brain injury, and the services and supports available to them.

As in years past, several events will be hosted throughout the day. A schedule of events is as follows:

- | | |
|--------------------|---|
| 10:00 AM – 1:00 PM | Brain Injury Awareness Fair
<i>First Floor Foyer of the Rayburn House Office Building</i> |
| 2:30 PM – 4:00 PM | Briefing: “From the Playground to the Pros: A Heads-Up on Concussion”
<i>Capitol Visitors Center – Congressional Meeting Room South</i> |
| 5:30 PM – 7:30 PM | Reception Celebrating Brain Injury Awareness Month
<i>First Floor Foyer of the Rayburn House Office Building</i> |

Given your expertise in brain injury research, rehabilitation, and services for persons with brain injury and their families, your organization’s participation at the fair, in the form of an exhibit or educational materials for distribution, would be greatly appreciated.

We hope you will attend and help educate Members of Congress and their staff on traumatic brain injury and rid its reputation as the “silent epidemic.” **Please RSVP by Monday, March 1st to Mandy Spears in Congressman Pascrell’s office by fax (202) 225-5782 on the form provided. To reserve a table, please RSVP promptly as space is limited. Be aware that we may need to limit the number of exhibitors should we reach capacity.**

If you have any further questions, please do not hesitate to contact Mandy Spears in Congressman Pascrell’s office at (202) 225-5751 or Becky Wolfkiel in Congressman Todd Platts’ office at (202) 225-5836.

Sincerely,

Bill Pascrell, Jr.
Member of Congress
Co-Chair, Brain Injury Task Force

Todd Russell Platts
Member of Congress
Co-Chair, Brain Injury Task Force
